

The Printers House

A glowing globe of Earth is held in two hands against a starry night sky. The globe is illuminated from the right, showing the continents of Africa and Europe. The hands are positioned at the bottom of the globe, supporting it. The background is a dark blue and black space filled with small, bright stars and a large, bright, glowing orb on the right side.

Imprinting Excellence Worldwide Since 1946

An Introduction

## Our History

The Printer's House (TPH) Orient group is a diversified group of companies founded in 1946 that is an industry leader in the manufacturing & supply of a host of engineered products from India. A renowned & trusted name globally when it comes to quality manufacturing.

The Year was 1946. K.D. Kohli, a freedom fighter & newspaperman, started The Printers House (TPH) Orient group. Since then, TPH has carved a formidable reputation as a quality conscious technology driven manufacturer of a number of products. Tph's adherence to global standards has enabled to export its products to more than 60 countries worldwide.

All our products are produced at factories in a 20-acre campus in Delhi NCR. Tph takes pride in being a company of Indian origin, started by an enterprising freedom fighter turned Newspaperman Mr. K.D. Kohli. The TPH Orient group is now a diversified group of companies and a market leader in printing machinery, packaging machinery, printing consumables and solar energy.

However, it is in our humble origins we take solace and hope to continue to grow whilst supplying a product that can match any global standard.
